

NEW DESIGN ELECTRONICS STANDARD LIMITED WARRANTY

Warranty claims must be made in accordance with the warranty period, requirements, exclusions and limitations listed below. If all conditions are not met, the warranty item will be returned to the business that requested the warranty claim or otherwise disposed, upon customer request.

New Design Electronics warrants that its parts and accessories are free from defects in materials and workmanship for a period of 90 days from date of sale, regardless of when the goods are first used. This warranty does not apply to any goods subjected to any use for which the goods were not designed, or for any defect caused partially or wholly by any negligence, recklessness, improper installation, or accident after the sale. There are no implied or express warranties which extend beyond the limited warranty stated above.

New Design Electronics sole and only obligation, indirect or otherwise, to the buyer or any end-user (customer) of our goods is expressly limited to replacement or repair, at the option of New Design Electronics for any goods returned to it with all inbound transportation charges prepaid by the customer. New Design Electronics is not liable for any damages or delays caused by shipment, acts of God, or other events beyond the control of New Design Electronics.

Upon the occurrence of any event which the customer believes obligates New Design Electronics to repair or replace any goods, the customer must immediately notify New Design Electronics by email so it can perform a warranty determination and issue an RMA#. After receipt of the parts or components involved, New Design Electronics will perform a warranty determination in regards to the above warranty conditions and notify the customer of the results, by email and/or by phone.
